

121 Litchfield Drive Thurgoona NSW

4 2 2

The colour scheme of this home is designed to create a bright, fresh welcoming feel by using Dulux Natural white on all ceilings, architraves, skirting boards and internal doors with Dulux half strength Grey Pebble on all walls. The 500 x 500 main floor tile compliments this palette with its semi gloss finish in soft greys and white and has been used extensively in the main bathroom, powder room and laundry. Textured feature tiling is prominent in the ensuite and laundry and on the kitchen splash back. The kitchen continues the soft grey and white theme with overhead cupboards in Polytec classic white and the featured island bench top in Nova Stone Rena, with the cabinetry beneath it in Polytec stone grey sheen. The soft grey carpet from Choices flooring by Hawks Ridge in the colour "Evening Sky" is soft and without texture or pattern to create a cosy feel in all bedrooms and the living room. The homes palette is welcoming, light, warm and up to date with current

Land Size : 1074 sqm
